

KS2 Energy Awareness Evaluation (After)

Date	
First name	Last name
What is the name of your school?	
Which class are you in?	How old are you?
1. How much do you think you know about how to save energy?I know lots about how to save energy	

2. How much money do you think your school usually spends on electricity in one year?

I don't know very much about how to save energy

• I know a bit about saving energy but I think there is a lot more to learn

- Less than £.10
- Between £10 and £500
- Between £500 and £1,000
- Between £1,000 and £5,000
- \bullet Between £5,000 and £10,000
- More than £10,000
- 3. Does your school have an Eco-Team? What is their name?
- 4. Are there any posters, stickers and displays telling you to save energy around school?
 - Yes
- O No
- I'm not sure

- 5. What is the best thing to do to lights when leaving a room?
 - Lights don't use a lot of electricity so it doesn't matter if they are left on
 - If a room is empty, lights should always be turned off
 - If they are low energy light bulbs they can always be left on

6. Which of the following do you do everyday?

(You can tick more than one if you want to)

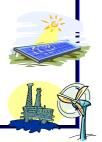

- I put on a jumper or jacket if it feels cold
- I have a shower rather than a bath
- I turn the tap off when brushing my teeth
- I walk or cycle to school instead of coming by car

7. Do you agree with any of the sentences below? If so, why?

• Yes, I think that renewable energy (solar panels and wind turbines) is better for the environment than using fossil fuels (coal, oil and gas)! Why do you think this?

• Yes, I think it is good to learn about energy and climate change at school! Why do you think this?

• Yes, I think saving energy is good and could help us to stop climate change! Why do you think this?

8. Do you think you might like to work or study in the area of energy or climate change when you leave school?

Yes

• Maybe

No

9. What is the most important thing that you have learnt about energy during the project?

10. Is there an interesting fact about energy use or energy saving that you would like to share?
